RED AIR INFLATABLE PADDLE BOARDS

- Fact:**
- Supa durable 100% ding proof
 - Super light weight-lighter than epoxy
 - They actually surf better as the board fits into waves
 - Super smooth soft ride not experienced on stiff epoxy boards
 - No need for soft racks just throw them on the roof of any car
 - More secure in your boot than on your roof
 - They roll up into tough bag-smaller than 1/2 your swag
 - Can be used as air mattress
 - No dings on your rails from beginners
 - Enviromentaly friendly materials used
 - Bravo long shaft pump makes it supa easy to inflate
 - Two sizes 11'0 and 10'0

RRP PRICE Only \$1400 including carry bag pump and alum paddle and free shipping Australia wide
